Fun Fold Measurements 2026 April Lakeside Retreat

Triple Layer Flap

Cardstock #1 Card Base Misty Moonlight

8.5"x5.5" scored 4.25"

5.5"x1.5" emboss-bridge

3" for die cut spotlight on nature dies

This is a landscape card 5.5"x4.25"

Cardstock #2 Basic White

3" spotlight on nature dash-dot die

2.75"x4" Inside layer (x2 if you want to add one to the back to write a note)

DSP #1 Coordinating DSP

1-1/8"x4-1/8" (4) note DSP direction

Optional: DSP to layer on the basic white dash-dot circle die cut.

Cut from score line to bottom of card base 1.25" in from both sides of card. (Landscape card)

Adhere DSP strips to 4 side panels

Adhere embossed bridge piece 5.5 x 1.5" to left and right panels. DO NOT adhere to the middle flap. Adhere circle focal points to middle of bridge. Decorate middle panel. Add stamped layer to the back layer of the card base and to the back of the card if you want a place to write a note.

Middle Flap

Cardstock #1 Card Base Peaceful Pine
 8.5"x5.5" scored 4.25"
 This is a landscape card 5.5"x4.25"

Cardstock #2 Basic White
 3" spotlight on nature dash-dot die
 2.75"x4" Inside layer (x2 if you want to add one to the back to write a note)

DSP #1 Coordinating DSP
 1-1/8"x4-1/8" (2) note DSP direction
 Optional: DSP to layer on the basic white dash-dot circle die cut.

Cut from score line to bottom of card base 1.25" in from both sides of card. (Landscape card)

Adhere side panels to card base. Adhere DSP strips to 2 side panels

Adhere focal point to middle card flap. Add stamped layer to the back layer of the card base and to the back of the card if you want a place to write a note.

Double Flap Card

Cardstock #1 Card Base Peaceful Pine

6.5" x 4.25" Score 2.5"

Focal Point: 3.5 x 3.75 score 3" on 3.5" side (this panel can be about any size you want - just make sure to account for 1/2" score line on the right side of the cardstock to fold under and adhere to the basic white layer.)

Cardstock #2 Basic White

4"x5.25 Inside layer

DSP #1 Coordinating DSP

2.25 x 4

3 x 3.5 (or what ever size less 1/8" or 1/4" than the focal point above.)

Adhere DSP to the left side front.

Adhere DSP to the focal point base and fold back the 1/2" section.

Stamp the basic white layer then adhere the focal point 1/2" section to the back of the basic white layer - centered on the panel.

Adhere white layer to card base.

Decorate front flap that you secured to the basic white layer.

Bridge Card

Cardstock #1 Card Base Basic White

8 x 4.25 Score 1.25, 2.5, 5.5, 6.75

Bridge 5.5 x 1.25 Emboss

Cardstock #2 Basic White

2-7/8 x 4-1/8"

DSP #1 Coordinating DSP

1-1/8 x 4-1/8 (cut 4)

Adhere DSP to the 4 panels

Stamp and adhere basic white layer to the inside panel. (Stamp/adhere another panel to the back if you want a place to write a note.)

Add any decorations to the basic white layer.

Adhere bridge to the 2 outer panels only.

Decorate left and right panels on top of the bridge.
