## **Instructions:**

Cut petal pink cardstock and score. Burnish with your bone folder.

Insert card base back into trimmer with the 4.25" side at the top of the trimmer. Line up at 3" and cut from middle card score line down to end of card (leaving you with a flap measuring 1.25" wide).

Using adhesive, glue closed the 1.25" wide strip to the card base (leaving only the 3" flap loose to open).

Die cut a secret sea decorative circle from Spotlight on Nature Dies and die cut a slightly smaller basic white decorative circle from the Stylish Shapes dies.

Die cut petal pink multi-circles die from the Lovely Arrangements die set.

Die cut one secret sea double set of leaves from the Lovely Arrangements die set.

Adhere DSP 1 to front left side panel of card.

Adhere DSP 2 to front right side panel of card.

Adhere petal pink Lovely Arrangements multi-circles die cut to center of the card (do not add glue to any circles that will hang over onto the narrow right side panel as that will glue your card shut).

Adhere Secret Sea circle slightly off center and hanging over onto the right panel.

Stamp sentiment on the white circle using secret sea ink and stamp flower over the top of the greeting using petal pink ink.

Add white stamped circle on top of the secret sea circle with dimensionals.

Glue secret sea leaves under the white stamped circle.

Stamp CELEBRATE from the Beautiful Motifs stamp set using secret sea ink on the basic white inside panel.

Add additional petal pink stamped flowers if desired and adhere panel to inside of card.

Embellish with Moody Palette Glossy Dots.
